Page 281

This section is a result of passage of HB 471 (2001). The Drug Courts Coordinating Committee evaluates, secures, coordinates, and allocates funding resources to the various drug courts around the state. The primary purpose of the drug courts is to use the authority of the court to reduce crime by changing defendants' drug-using behavior. Defendants are diverted to drug court programs in various ways and at various stages of the judicial process depending on the circumstances. Currently there are 144 operational Adult, juvenile, family, veterans, reintegration, and DWI treatment court programs.
